

The Merry-Go-Round Youth Theatre Presents

Alice in Wonderland

This award-winning adaptation is a unique version of the Lewis Carroll classic.

A fast-paced, up-to-date interpretation, this show is filled with zany behavior by wacky characters like the Mad Hatter, the March Hare, the Cheshire Cat and of course, the Queen of Hearts. Never before has Alice's harrowing journey been so much fun!

Performing in parks, playgrounds, churches, state and county fairs and all manner of recreation centers, our talented and engaging acting company comes completely self contained, requiring only a 25' X 25' X 15' performance area and 40 minutes for set up and breakdown.
